TREASURE HUNT

"Unlock the Mystery, Claim the Treasure!"

Rules and Regulations for a Treasure Hunt

1. Team Composition:

- Teams should consist of 2-4 members each, depending on the number of participants.
- Teams must stick together at all times; splitting up is not allowed.

2. No Interference:

- Teams cannot interfere with another team's clues or progress.
- Tampering with or hiding other teams' clues will result in disqualification.

3. Clue Integrity:

- Clues should not be moved or tampered with in any way.
- Participants are expected to leave clues exactly where and as they found them after reading.

4. Respect Property and Environment:

- Teams must respect the environment and property where the hunt is conducted. No damaging or littering on the premises.
- Avoid areas marked as off-limits by the organizers.

5. Time Limit:

- A time limit may be set for completing the entire hunt or for individual clues.
- If a team is unable to solve a clue within the time limit, they may ask for a hint (if hints are allowed) or skip to the next clue with a penalty.

6. No Outside Help:

- Teams should rely solely on their own abilities. Using cell phones or other outside help for solving clues is not allowed unless permitted by the organizers.

7. **Safety First:**

- Participants must follow all safety guidelines. Running, pushing, or engaging in any unsafe behavior is strictly prohibited.

8. **Hints and Penalties:**

- Hints, if allowed, may be requested after a specific time or attempts on a clue.
- Penalties for using hints can include adding time to the final score or deducting points.

9. **Winning the Game:**

- The first team to successfully find the treasure or complete all clues wins.
- In the case of a time-based format, the team completing the hunt the fastest is the winner.

10. **Respect the Game and Organizers:**

Tips for Organizing

- **Theme:** Choose a theme (pirates, explorers, detectives) to make the game more exciting.
- **Prepare Extra Clues:** In case of lost or damaged clues, have backups.
- **Location:** Plan a safe, accessible area for the hunt. Indoor locations are ideal for rainy or winter weather.
- **Prizes:** Certificates & Trophies.
